Rules

Price equivalent to 12 times the monthly plan with 10% discount

Pages are 12 times the monthly plan

Customers pre pay year in advance

Expires in 12 months, any pages left over are lost if not consumed in the grace period

If 12 month expires and there are remaining fax pages they have a grace period of 30 days to consume those pages and renew their subscription

If a balance reaches zero, with no associated additional fax pages payment, the service stops.

International faxes pages will be deducted from the plan balance at the rate of the destination country. This may reduce the number of fax pages able to be sent or received for the plans balance.

There are no overage charges

If a balance reaches zero before the 12 months, customer is to purchase another 1 year subscription or switch to monthly

There are no refunds - Including early termination.

Additional DID's

Additional DID's charged for the same period of time as the yearly plan

Additional DID's added during the course of a 12 month period will be pro rated to expire same time as yearly plan

* Please note that the Antivirus, Monitoring, and Patch Management purchases are subject to a 10-seat minimum per transaction.

IMPORTANT

All services that are added must expire **at the same time**.

Bundle discounts for multiple cloud services: A 20% discount applies on additional services purchased – adding computers to prior purchased services and/or renewing prior purchased services do not qualify as an additional service.

Bundled discounts apply when multiple services are purchased/renewed together. The discount only applies to the services of equal or lesser value.

Prices are per computer for one year terms and total amounts per computer for multi-year terms.

NOTE: GFI Cloud™ is available worldwide.
